## WHAT CLIENTS SAY

**SUJATA GOWDA**  
MARKETING & BRANDING  
STRATEGIST

Sridhar's approach to work is unique as he believes in understanding the requirement rather than the brief. Sridhar and his team understands that we see them with a magic wand in their hands at the same time keeping a balance between brief, execution, expectations and timelines. Highly recommended for new branding work like logos, style designs, concept designs and branding solutions.
